This Specific Training portion addresses the needs of adults who have recently accepted the responsibility as a Scoutmaster or Assistant Scoutmaster. For many, this will be an introduction to the rewards and challenges of troop leadership. Others will come to this training well-versed in what Scouting has to offer. Participants will discover the essentials of these leadership positions and realize that they can easily become successful Scout Leaders. Discussions, group activities, and video clips will keep the training lively and create a fellowship of learning.

The Outdoor Weekend is fun-filled, hands-on skills training in the outdoors. It's designed to help you become familiar with the basic Scout skills required for Tenderfoot to First Class. Instructors will help you learn how to camp, cook, work with woods tools, tie knots, first aid, map and compass, hiking techniques, nature identification, and much more. Each topic will bring life to the pages of the *Boy Scout Handbook* to help you deliver the promise of Scouting to the youth you serve. It will increase your comfort level and give you confidence as leader. The program will also give you the opportunity to work with other Scout leaders from your area, meet new friends, and reinforce skill techniques.

Completion of "*Scoutmaster & Asst. Scoutmaster Leader Specific Training,*" and "*Introduction to Outdoor Leader Skills*" are required for a Scoutmaster or Assistant Scoutmaster to complete 'basic training' for their position. This is also a 'pre-requisite' for attendance at *Wood Badge*.

Although specifically designed to meet the needs of Scoutmasters and Asst. Scoutmasters, this course is also suggested for Committee Members, Webelos Leaders and any interested Scouters.
