Demonstrate proper use and care of a bow saw  
Demonstrate proper use and care of an axe  
Make a crane with an electromagnetic lift  
Organize various science experiments  
Show kids what it is to be a rock hound

Will there be opportunities for my unit to sell advertising space? Certainly! This year's Scout-O-Rama Event Program promises to be a dynamic and interesting guide to an exciting weekend of fun. Troops, Packs and Crews can sell Scout-O-Rama Family listings for \$20.00. 55% (\$11.00) of the money collected for each listing sold will be put into your unit's account at the NEPA Service and Training Center. Parents, grand-parents, friends and neighbors can show their support for scouting in Northeastern Pennsylvania and your unit by choosing to become a Scout-O-Rama Family Sponsor. Use the proceeds your unit earns to pay for any council or district activity as you normally would, even use it to buy your unit's Event Programs & Chevron Activity Record sheet or registration fees for this years Scout-O-Rama!
