2008 Instructions for Completing an Application for Campership Assistance for Goose Pond Scout Reservation

Philosophy

The Northeastern Pennsylvania Council, Boy Scouts of America, believes that no Scout should be prevented from attending summer resident camp because of financial need. We also believe that the Scout should help pay a portion of his own way to camp. Unless extraordinary circumstances exist, we expect that parents or guardians, Troop, and chartering organization will also assist in the funding. And while it is not the intention of the council to completely subsidize a camp fee, we are committed to making the necessary arrangements so that all Scouts can come to camp.

Criteria

- Registered Boy Scout in the Northeastern Pennsylvania Council
- Attending Goose Pond Scout Reservation
- Demonstrated financial need
- Approval of Troop leader and chartered organization representative or committee chair

Procedure

Please follow all steps as directed below. Incomplete applications will be returned.

- Scouts and parents for whom the cost of summer camp is a financial burden speak with their Troop leader.
- Troop Leader identifies opportunities (money-earning projects) to help the Scout raise funds for camp.
- Parents/guardians and the Scout identify how much they are able to pay toward the camp fee.
- The Troop and Troop Committee provide financial assistance as they are able.
- The Troop leadership appeals to the chartering organization for additional support.

Whenever possible, the Scout, parent/guardian, Troop, and chartering organization should make arrangements to fund each Scout's way to camp. After some contribution has been made from these sources (or explanation of extraordinary circumstances) the council will consider providing additional funding.

- The parent/guardian, Troop leader, and chartered organization representative complete and sign the attached form. Incomplete applications will not be considered.
- Unit leader submits completed applications to the Council Service Center. **Deadline is May 1st.**
- Based on stated need and funds available this year, the Council Camping Committee will issue camperships for a specific amount. Generally, camperships are limited to at most one half of the camp fee.
- The Camping Director will notify the Troop leader and parent/guardian of the amount of the campership in writing by June 1st.
- The due date for the discounted camp fee is automatically extended beyond the May 15 deadline for any Scout who submits an application for campership assistance.
- The amount of the campership will be credited in the Scout's name to the Troop's summer camp account.

Please Note:

Camperships are not transferable or refundable.

These camperships are generally not available for Great Medicine Training, Nat'l Jamboree or High Adventure Base Treks. Contact Camping Director Dave Srebro at the Northeastern PA Council Service Center if you have specific questions.
