

Wilderness and Remote First Aid Course

Designed for scouts and scout leaders, outdoor enthusiasts and anyone who works or spends time in remote environments, this course teaches advanced skills to be used in emergencies when help from professional first responders may be far away. Based on the Boy Scouts of America Wilderness First Aid Curriculum and Doctrine Guidelines, this course aligns with OSHA's Best Practices for Workplace First Aid Training Program

Prerequisites: Must be at least 14 years old and hold current adult CPR/AED certification.

Backpack with gear for 5 day backpacking trip, minus food and water

2 year certification. Digital certificate available upon successful completion of course.

Course length: 16 hours

October 29 & 30, 2022
